

Private Non-Commercial Travel Policy - Option 1

Campaigns funds may be used to reimburse the owner of a privately owned vehicle for campaign related travel. The amount of reimbursement shall be no more than the appropriate state employee reimbursement rate as determined by the Arizona Department of Administration. When reimbursement is paid the campaign must keep and make available to the commission records which document the travel including date, mileage, purpose of travel.

Private Non-Commercial Travel Policy - Option 2

Campaign Funds must be used reimburse the owner of a vehicle used by a candidate for campaign related travel. The candidate's campaign may elect to pay as least 25% of the "State Employee Reimbursement Rate to pay the actual costs of travel incurred. The campaign must keep and make available to the commission records which document the travel including date, mileage, purpose of travel.

Private Non-Commercial Travel Policy - Option 3

Campaign Funds shall be used to reimburse the owner of a vehicle used by a candidate for campaign related travel. The rate for reimbursement shall be the appropriate State Employee Reimbursement Rate. The campaign must keep and make available to the commission records which document the travel including date, mileage, purpose of travel.

The Arizona Dept. of Administration Employee Reimbursement Rate currently is:

- a. \$.405 per mile
- b. \$.995 per nautical mile for Travel by Private Aircraft.
